

KEEP COSY

Oldham partners are now offering a NEW and FREE service for a limited period to help Oldham residents 'Keep Cosy' this winter

You may benefit from this service if you:

- * **Live in a cold home**
- * **Struggle to pay your fuel bills**
- * **Feel isolated during winter weather spells**

The service is not limited to any age groups and is not means tested

The new service includes access to:

- * Home energy assessment
- * Energy efficiency freebies e.g. draught proofing and reflective radiator panels
- * Home visits to help get out of fuel debt, apply for grants, switch tariffs or complete benefit checks
- * Temporary heating provision or emergency heating repairs where needed
- * Free loft and cavity wall insulation through the 'Toasty Oldham' scheme
- * Preventative services e.g. handyman service and shopping delivery service
- * Fire safety checks and smoke alarm installation
- * Meals delivery service - including a free 3-day trial
- * Extra help in the cold weather e.g. snow clearance, prescription collection, etc.

**To access this NEW FREE service
call 0161 678 2033**

The Department of Health has provided funding for the new 'Keep Cosy' scheme and the service is subject to availability
